HOW TO SELECT YOUR ENERGY SAVING LAMP

Find your new energy saving Lamp with similar LUMENS (=LIGHT) as your old Lamp

My OLD Light Bulb	How much Light?	My New Lamp			
GLS	LUMENS	Halogen -30% ES	Halogen -50% ES	Compact Fluorescent	LED
100W	1300	70W		20W	
	1200				
	1100				
75W	1000			15W	
	900	52W			
	800				
60W	700			11W	
	600	42W	30W		
	500				
40W	400	28W	20W	9W	8W
	300				7W
	200	18W			

Now I have chosen my new Replacement Lamp, what style and functions can it come with?
